TE Plus · prominent cap

TE Plus Night, 5 ml · KAPNOC05MLVNBR

Taller, prominent tamper-evident cap with black teat. DIN18 thread, 48 mm straight-tip glass pipette.

Child-resistant droppers

Push-and-turn child-resistant + tamper-evident collar

For CBD oils, essential oils, e-liquids and pharmaceutical products where a child-resistant closure is required or expected. The collar opens with a press-and-turn action and carries a tamper-evident ring.

Why CRC/TE

- Child-resistant push-and-turn opening
- Tamper-evident ring for first-opening proof
- Same DIN18 thread as the TE range: no bottle change
- All four colour combinations, 5 to 100 ml
